### EXPECT 3000 SHRINERS IN CITY THIS WEEKEND

Three thousand Nobles of Al Malaikah Temple and other Shrines throughout the state, are expected in Palm Springs tomorrow night following the ceremonial in San Bernardino. The pilgrimage to the desert honors retiring Potentate William C. Froelich with two days of Froelich's Frolix. Al Malaikah, one of the largest temples in the U. S. has a membership of 19,000. Headquarters will be at the Desert Inn.

Highlights of the Frolix are Saturday's parade at 11:00 which will go along Palm Canyon drive, starting at Chino and ending at Ramon. Al Malaikah's famed bands and musical groups will be in the line of march with

the Potentate and his Divan and other officials, riding in convertibles.

**LADIES** of the Divan will be entertained at luncheon at the Tennis Club following the parade with a special fashion show in their honor. Hostess will be Mrs. George Wheeler, wife of the president of the local Shrine Club. Wheeler has been in charge of arrangements for the Shrine.

### CIRCUSPADES PLANNED HERE DECEMBER 23-30

Announcement was made today of the premier of the CIRCUSPADES, a new and different entertainment offering for the fun loving residents of Palm Springs and the entire Coachella Valley. The two dates, December 23, and December 30 are marked to fill the Christmas and New Year holiday period with the most unusual show and fun ever assembled.

Among the world renowned performers is the famous Poodles Hanneford family and their resin back circus horses. Poodles has been for many years the clown supreme with the outstanding

major circuses throughout the United States.

**THE FAMOUS KAYLETTA**, aerial gymnast supreme, has thrilled audiences on both continents, performs at the amazing height of 120 feet in the air without the use of nets. She is a separate and distinct show all by herself.

The King of the Palominos, Gold Crown, America's foremost high-schooled horse and his equally famous trainer and rider, Dory Hart, round out but a few

### ANNUAL DOG SHOW NEXT SUNDAY TO SET RECORDS

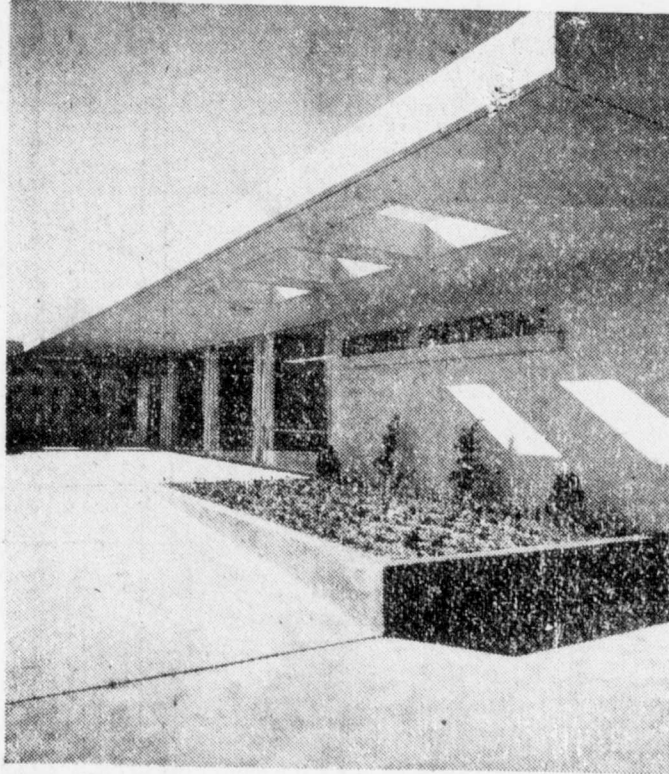

The biggest entry of blue blooded dogs on record will be shown at the Polo Grounds Sunday from 9 a.m. until 8 p.m. when the Palm Springs Kennel Club holds its 14th annual breed show.

This year's show will have added interest for all dog lovers in the Obedience Trials in which 87 perfectly trained canines will compete. Total entry is 630 so far.

The show is under the direction of Jack Bradshaw who brought the first dog show to Palm Springs in 1937.

### PLANS FOR DEDICATION OF HOSPITAL COMPLETE

Desert District Board Meets to put Final Details on Program for Next Sunday, Dec. 9.

Finishing touches were put on the program for an outstanding event at a meeting of the Desert Hospital board Monday afternoon. Dedication plans for the \$450,000 building were checked for the last time by Kenneth Kirk, chairman of the Desert District hospital board. Dedication takes place this Sunday, December 9, at 2:00 p.m., on the hospital grounds.

Speaker of the day will be Congressman John Phillips. Dr. H. M. F. Behneman, chief of staff of the hospital, will present Dr. John Cline, president of the American Medical Association, who will speak at the dedication.

**DESERT HOSPITAL** represents an important milestone in the development of Palm Springs and is tangible evidence of civic effort and cooperation on the part of the citizens of this community. The handsome, modern building with accommodations for 38 patients, ranks among the state's finest small hospitals. It was designed by local architects Clark and Frey, and Williams, Williams and Williams. In equipment and architecture it represents the best that money, combined with knowledge and imagination, can produce.

The new Desert Hospital not only represents the best in scientific design for the treatment of patients, is a building of charm. It has a quality of graciousness and pleasing warmth, extremely rare in an institution devoted to public service.

**PLANS ARE MADE** for receiving 750 people at the dedication ceremony, although whether this figure is high or low, no one at Monday's board meeting was able to guess.

Dedication ceremonies open with an invocation given by Rev. Robert Hogarth, pastor of St. Paul's in the Desert. This will be followed by the singing of the Star Spangled Banner led by Rev. James Blackstone of Community Church. The high school band will participate, as originally announced by Mr. Kirk, as Genevieve Valencia, hospital superintendent, said firmly, "No bands. This is, after all, a hospital devoted to the well."

### Students from Foreign Lands Rotary's Guests

Over 60 VISA students (exchange students from foreign countries) enjoyed a real Palm Springs weekend Saturday and Sunday when the first annual assembly of the Visiting International Students Association was held here.

The entertainment of the young people from all parts of the world was sponsored by the Palm Springs Rotary club and Rotarians of the 162 District.

VISA is internationally sponsored by Rotary and provides young foreign students an opportunity to learn more of America than prescribed by college curriculums, by giving them an opportunity to be entertained in American homes.

**ROTARIANS** of Palm Springs opened their doors to the young people with enthusiasm showed them the sights of the Village and valley, took them to the beautiful private clubs of the area.

Three hundred visiting Rotarians from the district joined the students in their meetings at the Polo Grounds Pavilion where luncheon and dinner was served on Saturday.

Talks and discussions of VISA opened at the Pavilion at 11:00 a.m. with greetings from the Palm Springs Rotary president, Bob Bennett, W. F. Lavelle, a

## Plan Legal Action to Speed up Paving

### Eight Houses Block Path of Paving Crew

Condemnation  
Suits to be Filed  
Within Ten Days

Legal action will be taken by the city in Riverside superior court within ten days to clear the right of way on Indian avenue which at present is holding up the works in the half completed road widening project. J & S Construction Company is stymied by eight houses on the 60 foot right of way, along the reservation which is held by the city.

These houses must be moved before road operations can continue.

**RUSSELL RINK**, city manager, said yesterday that the city will seek judgment for moving costs for five of the buildings which do not hold ground leases except on a month to month basis.

Three of the buildings have free hold leases and these must be appraised and condemned by the court order before moving operations can proceed.

To irritable comments concerning the slowness of the Indian avenue paving procedure, which are city wide, Rink said, "Actually, the job is not proceeding slower than normal. Condemnation proceedings and rights of way where buildings are involved, is always a slow and complicated procedure. J & S Paving company is ready to throw in a full crew of men and will wind up the job by the due date of their contract, which is the last week in January, providing the city has cleared the right of way. The paving company wishes to do the entire job at once, without delay for moving buildings."

**CITY ATTORNEY** Roy Colegate is preparing the condemnation papers and it is hoped by City Manager Rink that the entire court process can be completed within ten days.

In the meantime, the intersection of Baristo and Indian avenue, a menace to springs and tires, has been repaired once, but again shows a sharp drop.

### Opponents Gain in Third Count of Racing Poll

Opponents of quarter horse racing took over the third count of the sample ballot being conducted by Palm Springs newspapers when the 'no' votes exceeded the 'yes' votes. The ratio was 62.1 per cent no, 39.9 per cent yes.

For the three counts to date, up to Tuesday evening, the count shows 59 per cent yes, 41 per cent no. Previous to this week's total the count had been 66.5 yes and 33.5 no.

Last appearance of the opinion ballot will be found on Page 7 today.

### Village Market Celebrates its 5th Anniversary

Herman Reich and his staff of the Village Market on South Palm Canyon drive this week are celebrating the fifth anniversary of the store which first opened its doors on December 5, 1946.

A big open air breakfast Friday will be a feature of the event.

Details may be found in a special four page section in this issue of The Desert Sun.

Returned to the Village is Peg Adams following a summer spent cruising around the world.

**NEW AIA HEAD**—Taking time out at the Tennis Club from the A.I.A. conference of aircraft heads held at Desert Inn last week was Lawrence Bell, president of Bell Aircraft (upper right) and his secretary treasurer, Leston Faneuf both of Buffalo, N.Y., where Bell Aircraft Corp. has its factories. Skymaster Bell was named chairman of the board of Aircraft Industries Association at the meeting here, with Donald Douglas retiring from the board chairmanship. (Terry Boris Photo.)

### NOTED PLANE BUILDER IS VISITOR IN VILLAGE

Attending the A.I.A. conference of the nation's aircraft heads at Desert Inn last week was Lawrence Bell, president of Bell Aircraft Corporation of Buffalo, N.Y., who succeeds Donald Douglas as chairman of the board of Aircraft Industries Association. Vice chairman is Courtland Gross, vice president and general manager of Lockheed.

A hundred and twenty five aircraft heads and executives attended the three day conference for which General Hoyt S. Vandenberg, U. S. Air Force Chief of Staff, flew out to Palm Springs from Washington.

**LAWRENCE BELL'S** research department at Bell Aircraft has an impressive number of 'firsts' in aircraft design. The company designed and built the first jet plane, the P-59, which took the air in 1941. It also built the super sonic X-1, first man made instrument to break through the sound barrier. It also, by contract, built the first jet engine.

### The PUBLISHER'S Corner by OLIVER B. JAYNES

THERE'S NOTHING MORE VITAL to a community than a good hospital. If you or some member of the family has been stricken suddenly, you know this. Nothing else matters at a time like that; nothing else is as much appreciated. Those who have experienced the benefit and blessing of good hospital facilities nearby their home need not be reminded of the fact. Those who have been fortunate enough that they have never needed such facilities can hardly realize how much the new Desert Hospital means to the people who live and vacation in the Palm Springs desert area.

Fortunately for all of us there have been those who did realize that this important facility must be provided if this community was to be a desirable place in which to live. They realized too that this was something that could come only through the efforts of public spirited individuals. They knew that people just don't come in and build hospitals like they do stores and hotels. Hospitals don't just happen.

And so it was that back in 1945 a group of civic-minded Palm Springs residents decided that plans should be made for a hospital here. They organized into a group and started the movement that has culminated in the Desert Hospital that will be dedicated here next Sunday afternoon. It was not easy, either. The path ahead was strewn with difficulties and discouragement. Opened in temporary quarters in the old Torney Hospital buildings, even those inadequate hospital facilities were saved only by the heroic efforts of those who wouldn't give up.

So many people have had a part at one time or another in the creation and development of this vital community project that it would be impossible to remember them all — much as I would like to mention some of them here. Like the players on a victorious football team which had worked so well together, it would be hard to single out those who contributed the most to success. But to each should come a great measure of personal satisfaction when this fine new Desert Hospital is dedicated next Sunday. It stands — like the Wars Memorial Building — as a monument to those who contributed so much of their time and resources to a purely civic enterprise.

Through the efforts of these voluntary workers — many of them winter residents — many lives will be saved in the years to come and thousands more will receive the vital benefits of good hospital care. On behalf of a grateful community, The Desert Sun pays tribute to these unselfish residents and sojourners who have done so much for us all.

## New Lease Submitted in Airport Deal

Zaddie Bunker Heads Corporation Handling Project

Zaddie Bunker, Pearl McManus, Irwin Shulman and Bill Kennaston this week submitted a proposed lease on the airport to the city.

City Manager Russell Rink said the lease called for \$6000 annual rental to be paid the city and five per cent on the port's gross operation. Eight per cent will be paid of all money received by the lessees in sub-leases. One percent on the sale of aircraft accessories, one cent per gallon of gas and five cents per gallon of oil sold. The lease to run for ten years.

RINK SAID the local foursome will be ready to take over the port upon the termination of Mary Nelson's lease the last day of January. The city will notify Miss Nelson to this effect. Mr. Rink said, if the council approves the acceptance of the lease.

Provisions of the new lease are the same as that paid for the past five years by Port Manager Mary Nelson. Miss Nelson previously declined to take up her option on those terms as she considered the terms prohibitive.

REPRESENTING her and the Palm Springs Airport corporation of which Miss Nelson is president, before the city council was Attorney Mabel Walker Wilbrandt who told the council that Miss Nelson had lost an average of \$5,000 per year in operating the port according to the city's specifications.

Miss Nelson sought to lease the airport on a straight percentage basis without a fixed annual rental.

Both have been long time visitors in the desert area. Brown is past president of the Whittier Real Estate board. They are both enjoying their stay in Palm Springs.

IN THE GRIPE department today is the thought that they should pass a law compelling contractors to weight down all empty cement sacks and other loose material. After yesterday morning's wind, homes in the vicinity of new jobs were plastered with empty cement sacks and other debris. The bushes in vacant lots and desert areas were decorated but not with a Christmas look. One autoist narrowly escaped when a flying sack spread itself over his windshield. In the campaign to keep the desert beautiful, that is something that will help.

LOOKING OVER the news, I note that one segment of a group that vigorously, opposed quarter horse racing with pari-mutuels, is offering a door prize and another has a raffle in mind. Bill Nash was out Tuesday giving personalized service with the new telephone directory. Banning and Beaumont have been eliminated but the book isn't much thinner, the desert area has grown so fast.

## Christmas Seals Quota One-Third Filled is Report

Mrs. Russell Rink, Christmas Seal Sale Chairman for the local district reports that about 1/3 of the county wide Christmas Seal goal had been reached at the close of the second week of the sale.

"With about 3 weeks left to reach our \$28,000 goal, we hope that many more people will be heard from before the busy part of the holiday season is on and the mails are crowded," Mrs. Rink said.

Last week, 3,740 people replied to their Christmas Seal letter according to Mrs. Rink, who expressed confidence that the county wide goal could be reached before the sale closes. Christmas Seals are to be made available this week in self-sealer boxes located in the downtown area for those who did not receive Seals in the mail.

ALONG WITH a lot of other people I was awakened the other morning about one o'clock by an auto horn tooting. I made mental and sometimes audible comments on people who are too lazy to get out of their car to summon some one by ringing the doorbell, especially at that time of night. But discovered later that a dog, left in an auto while his owners were partying, had grown tired of waiting and was pushing the horn rim. His master came out and admonished him and went back in. It did no good, police were summoned, they did no good. Finally the mistress came out. She ignored the dog firmly in the back seat and the party went on. ## Parma Plea Put Over Until Next Week by Judge

Willard Parma, former deputy sheriff, will enter a plea to 14 counts of bribery next Monday.

Parma, whose bail was fixed at \$20,000, was scheduled to appear in Superior Judge Russell S. Waite's court last Monday. At the request of his attorney, Harry Moss, the case was continued one week.

Parma was arrested at San Diego last month after his indictment by the grand jury on charges of accepting \$4100 from an accused bookmaker in Corona.

The bookmaker, H. Ray Burton, was convicted later in superior court and is awaiting sentence.

Parma, who was taken to Orange county jail after his arrest was said to have declared other county jail officers were involved. He is somewhere in the county in retirement, awaiting arraignment.

District Attorney W. O. Mackey last week hinted that others were involved in the case.

Hearing in Judge E. E. Theriault's court today.

He was arraigned last week and released on \$250 bail.

## Jan Dietrich is Flight Instructor at Local Airport

Taking over as flight instructor at the airport is Jan Dietrich of San Mateo with her assistant, John Tuchfarber, a graduate of the Palm Springs flight school who holds a commercial flight instructor's license.

Dietrich and Tuchfarber fill the post held by De Thurmond who recently left for further training at San Diego.

Miss Dietrich learned to fly from port manager, Mary Nelson, seven years ago. She was the first woman to hold the office of president of the University of California flying club and was former flight instructor for the Talboa Aviation Arrow Academy at Oakland. She flew second in the 1951 transcontinental races from Santa Ana to Detroit in which 44 planes were entered.

## Asphalt Solves Dust Problems

Asphalt paving is becoming increasingly evident in Coachella Valley since the opening of a new asphalt plant recently completed in Indio.

The valley plant saves local residents cost of hauling asphalt from plants 50 or more miles away.

The new venture was opened as a branch of the John J. Swigart company of Santa Ana. It is under the management of Dick Edwards.

Asphalt paving has found favor with home owners, farmers and businessmen in the valley. It is used extensively for driveways, patios, walks, working areas, industrial floors and parking areas.

Users claim that asphalt paving not only eliminates dust raising areas but also improves appearances of grounds.

## Warehouse Fire Won't Interrupt School Routine

R. C. Henderson, business manager of the Palm Springs Unified School district, said this week that the fire which took an estimated \$20,000 toll at the warehouse building of the Katherine Finch school last Thursday evening would not interfere with school work.

He said that the schools of the district had a month's supply of necessary material on hand and by that time the supplies lost in the blaze would be replaced.

The fire sent up dense clouds of smoke as paper, pencils, books and maintenance equipment was destroyed. The building itself, outside of the roof, was not seriously damaged.

# Munholland Zoning Plea is Rejected

Planning Board Denies Request for Variation

John Munholland's request for a zoning variance at Indian avenue and Paseo El Mirador to activate the old army barracks building on the corner property as a two story lodge for working women, was denied by the planning commission at a public hearing held last week.

The planning commission forwarded to the city council its recommendation of denial, although final action rests with the city council.

MUNHOLLAND has addressed a letter to the city council asking that action on his zone variance request be postponed until January 17, however, as the commission has already heard the case, it is doubtful if council will postpone action.

Munholland submitted artist's drawings for improving the building which were drawn by O. E. L. Graves and would include a sun porch on the second floor and various lattices, etc.

HE GAVE IT as his opinion that the building as it stands at present is a detriment to the neighborhood and he seeks to beautify the property.

In the meantime Reed Hubbell, a resident of 740 Paseo El Mirador, has circulated a petition signed by about 150 property owners of the area, which request council to deny the Munholland zone variance on the grounds that it would damage property values in the area and also establish a precedent for other surplus army barracks on El Mirador property.

## Daylight Thief Gets Away With \$10,000 Jewels

Mrs. Joyce Rosenberg, New York City socialite and houseguest of producer and Mrs. Sol Lesser, was the victim of one of the coolest robberies on record Tuesday noon when a well dressed man walked into the Lesser home and walked out three minutes later with a 77 karat star sapphire valued at \$10,000. The handsome ring was set in diamonds and platinum and was taken from Mrs. Rosenberg's dressing table.

The middle aged, slightly chunky, well groomed thief wore a brown double breasted suit. He entered the house around noon as the masseuse was leaving. Mrs. Rosenberg was out sunning in the patio and the maid was in the kitchen. Mr. and Mrs. Lesser were away from the house.

The robbery might not have been discovered for some hours, had not the maid gone outside to cut some greenery for the table. She met the well groomed thief on the front porch as he was leaving. Asking him if she could assist him, he replied that he had seen the people he wished to see.

The maid reported the incident to Mrs. Rosenberg, who had seen no one. She checked in her room and found the ring gone.

INVESTIGATING the case are Capt. Orest Johnson and Officer Ted Greene who reached the Lesser home immediately after the departure of the thief, saw no sign of a pedestrian or car in the neighborhood.

## Peace of Mind Through Service Read This!

For the past several months business men and residents of Palm Springs have wondered about the establishment of a private patrol to augment the nighttime activities of the Palm Springs Police Department. Private patrols have been established in many communities throughout the country, and in every case where the patrols have been properly organized, properly equipped and properly supervised their service to the community has been unquestioned. Fire insurance companies across the nation acknowledge that fire risks in property that is regularly patrolled by a watchman are greatly reduced. The risk of loss by burglary or by wanton destruction is also greatly reduced, and, as a consequence, a reduction in burglary insurance premiums is often allowed on property protected by a properly supervised watchman. It is therefore no wonder that these private patrols have been welcomed with open arms by many communities.

The services offered by private patrols vary in various communities, but the essential service performed consists in having a watchman visit and inspect the premises at more or less regular intervals during the night, or during any period of vacancy.

But why should a citizen of Palm Springs wish to employ a private patrol when our Palm Springs Police Department is recognized for its outstanding efficiency? That's a natural

question, but with a few minutes thought, you'll answer it for yourself. With several hundred business establishments in town...with several thousand private homes...our police department would have to be increased many, many fold to enable the officers to check each entrance several times each night. The burden on the taxpayers would prove tremendous, the activities of the police would be diverted from many other necessary channels. With the establishment of a private patrol, all normal police activities would continue unabated...the patrol merely supplements normal police protection. Aside from monetary considerations, the freedom from worry and the knowledge of additional protection offered for their property make any business man or private citizens appreciate the services offered by a dependable private patrol.

Using the famous Detex Watchclock system, staggered regular inspections will be made four or more times each night, with constant prowling type surveillance at all times. VALENTINO'S bonded, insured patrolmen assure dependable protection for your business throughout the night...lets you sleep without worry. The Detex time chart is your record of his watchful vigilance.

## SOCIALLY SPEAKING

By Aileen Hagerty  
Sun Society Scribe

Home coming parties and preholiday entertainment at recently opened clubs combine to speed up the social tempo of the Village, as winter colonists return from all parts of the country and open their homes. Invitations are being issued by Mrs. Charles K. (Edith) Fulton for her first party of the season, Dec. 15th. Guests will assemble in her home, 1180 Camino Corto, where aperitifs will be served and later she will entertain her guests at the Tennis Club's formal opening dinner dance.

Tennis Club members, their guests and visitors have been enjoying reunions at the various parties that filled the calendar since the informal opening of the club. Among hostesses at the opening fashion show luncheon was Mrs. Channing Wells, entertaining for Mrs. George Van Brunt, her sister-in-law from West Los Angeles. The visitor is a guest at the Wells home in Smoke Tree Ranch.

Other visitors in the party included Mrs. Stephen Royce and Mrs. William Morris, Pasadena, house guests of Mrs. Floyd Turner, and Mrs. Ted Johnson, Beverly Hills, visiting the Max Schwabs at their Smoke Tree home.

In another group were Mrs. Charles Montgomery, a former Villager; Mrs. Mace Gazda and Mrs. Reed Hubbell. Mrs. Montgomery, who lived here for years, now makes her home in Fort

Mrs. Montgomery, Mrs. Gazda and Mrs. Hubbell. Mrs. Montgomery, who lived here for years, now makes her home in Fort Lauderdale, from where she returned recently. She is staying at Ingleside Inn and enjoying reunions with many of her long time friends.

Hostess at one of the festive tables, Mrs. John Costello entertained for Mrs. John McClellan, celebrating her birthday anniversary. Husbands of the ten attractive young matrons who made up this party formed a group at a vantage point table on the upper terrace and appeared to be interested spectators of the fashion parade.

Complimenting Mrs. William Bendix, a comparative newcomer to the Village, Mrs. George Brown was hostess to a group, Movie Star Bendix and Mrs. Bendix have recently purchased a home in the Tennis club section. Mrs. Charles Becker, recently returned from Chicago, was hostess at another table. The Beckers have a winter home on San Lorenzo.

### Mrs. John Stauffer Hostess

Mrs. John Stauffer, who came here recently from Los Angeles, also entertained a group and Mr. and Mrs. Edward K. Bishop, from Washington, were among spectators at a small table. The Bishops are occupying their home on North Belardo.

Making her debut as a model in the fashion revue was vivacious blonde Joan (Mrs. Walter) McManus, social hostess of the club, who was being applauded by many of her long time friends as she paraded in a chic creation of black velvet and rose organdy.

Mrs. Vivien Summerfield, making one of her infrequent party appearances, entertained at the club's Saturday evening dinner dance, honoring her houseguests, Mr. and Mrs. Edward Ginsberg from Reno, Nev. Mrs. Summerfield, who divides her time between her Palm Springs home and Lake Tahoe, made up her party of friends she has known through most of the years she wintered here.

### To Attend Los Angeles Event

Village winter residents to attend the benefit Candlelight ball in Los Angeles Dec. 14th include the Kenneth Kirks, who divide their time between Palm Springs and Beverly Hills. They will be guests of the Harold McAlisters, who have a winter home here on Camino Encanto and take part in many of the village activities.

The John Lapps also will attend the gala ball, to be given in the Ambassador's Coconut Grove, by Juniors of the Social Service Auxiliary, to aid in carrying on work for needy children. Mrs. Lapp is making tentative plans for her traditional holiday party, an annual event of the Lapps, in the Yuletide season.

When Mr. and Mrs. James E. French gave a cocktail party recently in their home they were introducing friends to their house guests, Mr. and Mrs. Glen Statter, San Francisco and Newport Beach. Also attending the party were Mr. and Mrs. Crooke Whitley, San Franciscans, who are staying at Ingleside Inn. Mr. and Mrs. French, winter colonists from San Francisco, will go to San Rafael to spend the holidays with members of their family.

### At the Fleming Home

Friends from the Tom Flemings' home city, Chicago, the Packey J. Dees arrived here last week and the two couples have been renewing a long time friendship while the visitors were house guests at the Flemings' new home, 555 Via Lola. They made up a foursome for the USC-Notre Dame game, one of the chief attractions for Mr. Dees' trip to California at this time, he being an alumnus of N.D.

Shortly after they returned from L. A. they journeyed up to Placencia to attend the party given Sunday by the Sam Kraemer. The Dees have been winter visitors for the past 18 years but are making their stay a short one this year as they will leave soon on a South American cruise, to be gone several months.

When Mrs. George (Mickey) Wheeler gives a luncheon at the Tennis Club Saturday she will be entertaining for wives of visiting Shrine officers. Also included in the party will be wives of officers of the Palm Springs Shrine club, of which Editor Wheeler is president.

Included in a round of parties for Mrs. Frank Cutler, a former resident, is the luncheon Mrs. Harrison Leussler gave Monday in her home. A few of Mrs. Cutler's long time friends attended the luncheon, which was followed by bridge. Mrs. Cutler, here on a visit from Portland, has been the house guest of the Don Locketts and now is visiting Mrs. George Braley, who also gave a luncheon for her this week at Thunderbird.

### Summer Travels to be Retold

Summer travels were the chief topic of conversation when Mrs. Mahlon E. Manson gave a luncheon recently at the Tennis Club, followed by bridge. Some of her 12 guests were seeing each other for the first time since they returned to the Village, and the majority of them have known each other for a long while.

Since the Mansons left here in May they made a ten thousand-mile motor trip. In Birmingham, Ala., they visited their son-in-law and daughter, Robert and Martha Thomas. . . Before her marriage last December Martha was a popular member of the Palm Springs younger set and made quite a reputation for herself on radio programs. . . Robert is now in the army and whether or not they return to Palm Springs on a holiday visit, depends on his orders.

After their sojourn in Alabama, the Mansons visited other places in the South, including Miami Beach and Fort Lauderdale, and then stopped over in places of interest along the East coast and in New England. . . Since their recent return to the village they have been busy getting settled in their home on Vista Oro.

Sunshine and glistening snow added to the enjoyment of Mr. and Mrs. Carl Lykken and their guests when they went to Idylwild recently. . . Friends who have known Carl and Edith Lykken many of the 35 years they lived here were among the 21 guests who motored up to their mountain lodge Saturday, just in time to enjoy the first snowfall of the autumn. . . Dinner and card games were included in the day's program.

BRIDE—Mrs. Jack Douglas Whitehead, the former Helen Louise Williams. The wedding was an event of last Sunday.

### Helen Louise Williams Becomes Bride of Jack Douglas Whitehead

Representative families of California were united by the marriage of Miss Helen Louise Williams and Jack Douglas Whitehead, which took place Sunday in Palm Springs Community Church. Dr. James Blackstone, Jr., officiated at the ceremony, which was followed by a reception in the church parlors.

The bride is a daughter of Mr. and Mrs. John Williams, 610 Via Monte Vista and Mr. Whitehead's parents are Mr. and Mrs. Julian Whitehead, Altadena.

The bride, given in marriage by her father, wore a gown of candlelight satin and chantilly lace, embroidered with seed pearls, and her finger-tip length veil was attached to a tiara of lace and pearls. White orchids and stephanotis adorned the white prayer book that she carried.

Mrs. Donald Leonard was matron of honor for her sister and Linda Marie Leonard was flower girl. In the role of bridesmaids were Misses Peggy Hoyt and Lorraine Wiley and Mrs. Robert Taylor was a bridesmaid. Attendants were similar dresses of satin and lace in pastel shades. Mrs. William Lux, organist and Mrs. James Geggie, vocalist, gave a program of nuptial music.

Kaylor Whitehead, brother of the bridegroom, was best man and serving as ushers were Gerald Whitehead, another brother; Frank Hopps and Robert Bennett. Baskets of white flowers and candelabras were used in the church decorations.

After attending schools in Palm Springs the former Miss Williams was graduated from the University of Redlands where she was a member of Alpha

Theta Phi. The past three years she was social director of Desert Inn. Mr. Whitehead attended Pasadena Junior College, UCLA and USC and is associated with the architectural firm of Bennett and Bennett in Pasadena. Following a wedding trip they will occupy their new home, 3054 North Santa Anita, Altadena.

Engagement of Mrs. June Milliner, daughter of Mr. and Mrs. S. A. Marshall of 642 Ocotillo avenue, and Walter Smyth of Arlington, Calif., was announced at a dinner party at the Doll House Saturday night.

Smyth is a process engineer at the Bill Jack Scientific Instrument company at Arlington. No wedding date has been set.

## Armando Laredo Delights Club Women With Concert

Grand music was interpreted in a grand way Monday afternoon at Palm Springs Woman's Club when Armando Laredo was the artist of the day, presented by Mrs. Paul Babcock, program chairman. The Legins era technique is not always facile enough to manage artistically all the intricacies of the massed, but Laredo seems to have added adeptness of his own to this method.

His group of Chopin numbers were brilliant and sympathetic, showing a depth of understanding of the music of this afflicted and unhappy composer. Only once was musical discretion thrown aside and this happened when Laredo played a transcribed version of his own of the Chopin Prelude in D minor in Chopin style.

"Prayer" the artists own composition was replete with imagery. He explained, prior to his rendering of it, that it was the prayer of a bullfighter before entering the ring. One heard, first supplication, then argument then again the pleading with a tone of fear and hopelessness.

In Saint Saens "Dance Macabre" Laredo showed a sure and fiery technique. Dubessy was played with lovely tonal effects and Rachmaninoff's arrangements of Fritz Kreisler's Liebestod were correctly but rather coldly rendered. However, this artist was working under piano mechanical difficulties and his program left one with the feeling that with a different instrument the musical interpretations would have been more effective.

Proceeding the all-over good program was the usual business session, with Mrs. Jesse Follansbee giving a report for the Civic Committee she heads. Mrs. Fredrick Watson announced that the music section would hereafter meet at 3 p.m. Fridays in the club, and Mrs. Frida Jarrett said the dancing and exercise section needed more pupils. Mrs. Estelle Yerkes, art chairman gave a report on her work and the hangings of the fine floral pictures of Mrs. Freeman, on the club walls. Mrs. G. G.

Walker, as county director of the county Federation, representing the Club, reported on the all day meeting of the Federation at Indio last Friday and of the project now under way to select the "Woman of the Year" for this county.

Tea hostesses under the chairmanship of Mrs. M. Lauritz Hansen provided a gracious ending to the afternoon session. Assisting Mrs. Hansen were Mesdames: Mahlon E. Manson; Newton S. Hotchkiss; Donald Lockett; Joseph E. Gamble; Charles P. Johnson; Glen G. Green and Evelyn Paul Pell. Mrs. Thomas Holland of the hospital committee also assisted. Seasonal decorations were richly done by Mesdames: William Lippman; C. L. Gentry and John Dekker.

## Hammonds Dinner Hosts

Mrs. and Mrs. James Hammond were hosts for an informal and interesting small dinner Monday night which included one of the specialties of the house, an Italian dinner and a musical evening to follow. Dinner guests Ken Clark sat down at the piano following dinner and played a varied repertoire which included every musical hit anybody could think of as well as Ravel and Debussy.

Guests included Mrs. George Machris, wife of the president of Wilshire Yacht, and owner of the 176 foot yacht, Caronia—one of the largest still extant under private ownership—William Boggess and Helen Beatty.

Dining at the Sea Horse Friday evening were Mrs. Addison Hoof, Mr. and Mrs. Charles Mathews, Philip and Dorothy Boyd who spent the weekend at their desert home between Palm Springs and Indio; Mr. and Mrs. Ben Shearer, just returned for the season and Mr. and Mrs. William Eddis.

One by one, the homes at Hidden Springs, the colony at the end of Ramon road, are being opened after the summer siesta.

Last week saw lights go on at the homes of the George Montgomeries, Myron Swearingen, Elmore Staples, Renaud Hoffmann and Harriet Bloomingdale. The Hoffmanns are building a studio addition to their home and the artist has already been busy at his easel.

The Mario Chamlees entertained Miss Helen Traubel, Metropolitan opera star, over the week end. The Chamlees are the faithful nucleus of the sun and swim set undeterred even by the delightful sunlit showers of a few days past which gave desert lovers a Christmastime surprise

## Dinner Party Honors Chief of Air Staff

Edward Mayo entertained at the Racquet Club with a delightful dinner party in honor of General Hoyt Vandenberg.

Guests for the occasion included Mrs. Norman Tulk, and her houseguest Mrs. E. H. Kron, Colonel Charles Murphy, Colonel G. T. McHugh, Colonel Butell and General William Irvine.

Immediately following the dinner the group drove to the airport to say "adios" to General Vandenberg and his party.

## Someone Said

THAT illumination of the trees and shrubs in front of the George K. Zain home make an attractive scene on the otherwise dark streets of the Village. "Wouldn't it be wonderful if the fronts of other homes could be lighted in this way, especially for the holidays," added a passing motorist who stopped to admire the lighting effect.

THAT Keith and Jessie McLeod are discovering a lot of vocal talent since they started rehearsing for the Christmas carols they will direct. The Tennis Club is one of the places they will be heard Christmas Eve. More voices are needed and they will appreciate calls from singers, at their home, 1045 South Calle Marquis.

THAT Hilton called Magnate Conrad Hilton Hotel Magnate Conrad Hilton hotel manager from Los Angeles, three times in one day, to make sure that the weather here was good for golfing. After being assured that it is, Connie came here to play golf at dawn, taking part in the weekly steak ride, singing cow boy songs and doing the rhumba nightly in the Mirage room.

THAT Zaddie Bunker, who is making a record for herself as a flying grandmother, was skylarking Sunday in her new Ercoupe, over Colton way. She has lived here since Palm Springs was just a stopping place on a desert trail and is noted for her ability to do just about everything she undertakes. Raising a family and a variety of community work kept her so busy that she did not have time for her hobby, flying, until about two years ago.

Earl Callans Hosts at Racquet Club

Mr. and Mrs. Earl Callan entertained with a farewell dinner dance at the Racquet Club Sunday evening for some twenty of their friends.

The Callans who have sold their desert home will return to Los Angeles until the New Year's weekend when they will check into the Racquet Club for the holiday period.

## Palm Desert Sunbeams

By EDITH EDDY WARD

One hundred and one years ago (1850) a sixteen year old boy by the name of Hans Sletten, ran away from his home in Denmark, boarded a ship that was coming to America, sailed around the Horn and landed in San Francisco where he deserted the ship and started for the hills in search of gold.

Last Monday Hans Sletten's daughter, Millie Mitchell—better known as the "Cattle Queen of the Sierras"—celebrated her birthday (we won't say which one) in her new home at Palm Desert. Millie's niece and husband, Edythe and Al Peterson, planned the day which included a cocktail party at Shadow Mountain dinner wound up with a surprise dinner club, where the "Cattle Queen" was greeted by the "King" of the desert cowboys, Frank Bogart, Mary Banning, one of Millie's oldest friends, who knew her father was a guest at the party. Others were Pete Pierson; Mr. and Mrs. Otto Allgoewer and Margaret Ward.

The story of how Millie Mitchell became the Cattle Queen is an interesting one. Her father became discouraged in his search for gold and went to Montana where he met Millie's mother, who had crossed the plains in a covered wagon drawn by oxen. After their marriage in 1867, they set out for California in a horse-drawn covered wagon settling in Carson Hill, in Calaveras county where Hans Sletten went to work in the mines. He was there when the largest gold nugget ever taken out in one piece was found—it weighed 2,340 ounces. A replica of this nugget is on display at Knott's in Buena Vista. Hans earned enough money working in the mines to acquire some land in Vallecito, Calaveras County, where he started raising grain and cattle. Millie went to school in Vallecito and met her future husband, Mills Mitchell, when she entered the first grade. They went all through school together and were married when she was 23.

By the time they were married, Mills Mitchell had a good herd of cattle started. When he passed away in 1929, the Mitchells had a thousand head of cattle and the business took charge and ran the school in Stockton. She now owns approximately 2,000 more for her present cattle raising.

Returns to School

Miss Pat Cummings has resumed her studies at Immaculate Heart high school, Hollywood, after spending the holidays with her parents Mr. and Mrs. John Cummings, 1488 North Palm Canyon drive.

## Same Film Fare Here as in L.A.

Earle E. Strebe said this week that pictures booked at his theatres are the latest releases available from the major studios.

A glance at the Los Angeles dailies shows that most of the first-run theatres are also currently appearing locally, he said.

Now playing at the Plaza is the technicolor musical "American in Paris" wonder show with Gene Kelly starred, while Sunday will introduce the highly dramatic film, "Bright Victory," with Arthur Kennedy and Peggy Dow.

Currently at the Village theater is the great adventure picture, "Drums in the Deep South," starring Barbara Payton (Tone), Guy Madison and James Craig. Sunday will introduce a new thrill in westerns, when Randolph Scott takes over the screen in his

## Richie Trio, Lucille, Win Instant Favor

There are a lot of people who are saying that Dave Lyons has one of the best shows to hit town up at his Saddle and Sirlon.

The Richie brothers and Lucille, who opened last Saturday night, have their listeners shouting for more, every night. Not only do they go all out with delightful harmony and fun but they are obliging with their encores and the number of shows they put on.

The brothers are all graduates of Ohio Fine Arts college, majors in music and the result is a well-rounded trio with plenty of harmony, an excellent choice of numbers and great arrangements. Their range covers a wide field.

Sal Richie, who does most of the arranging for their well-planned programs, also possesses a fine tenor voice which lends itself well to the program. Lou Richie, who beats the bass and blows a wicked clarinet also doubles as the comedian and in novelty songs. Herman Richie, baritone, is a top flight guitar player.

Added to all this is Lucille, whose voice blends with the brothers and who had the diners calling for more repeatedly after her solos since the group opened at the Saddle and Sirlon.

Visitors from El Centro, Mrs. J. L. Love, Jr., and her small daughters Paula and Debbie are enjoying a stay with her mother, Mrs. Anna Steen at El Portal.

latest technicolor hit, "Man in the Saddle," with Joan Leslie and Ellen Drew, two of the screen's most popular glamour girls.

Reported as being the most suspenseful picture ever filmed, "Seven Days to Noon," is now showing at El Paseo Theater. It has received the critics highest praises. Douglas Fairbanks, Jr. stars in his latest release, "Mr. Drake's Duck," a hilarious comedy of two frantic lovers with an atomic duck, which opens on Sunday.

## Robert Mitchell to be Presented at Musical Tea

Now, director of music at the First Presbyterian Church of Walnut Creek, California, he has been organist for many state and regional Christian Endeavor conventions and for the entire summer conference at Forest Home.

## Prof's. Aces Win in First Loop Games

Cravy's Gang Gets Revenge for Loss in Tournament

Cravy's Profs drew sweet revenge for the defeat suffered at the hands of the 20-30 club last week when they took their first league game from the 20-30 club by a narrow margin Tuesday night.

It was the second game of the evening as the new City Basketball League got under way.

But the Profs barely squeaked by in winning 38 to 37.

**THEY HAD** a ten point lead in the fourth period and it almost vanished as the 20-30 club began finding the basket and crept closer.

The final gun saved the Profs and they had a 1-0 standing in the loop as a result.

In the first game of the evening the Royal Aces trimmed the Village market by a score of 33 to 23.

**LAST NIGHT** the Youth Center and Junior Chamber of Commerce clashed in the first game and the 20-30 club tangled with the Royal Aces.

## Bike Race Plans Expand, Now All Southland Event

Palm Springs Bicycle races, originally scheduled for Saturday, have been postponed until after the first of the year, said C. H. Mitchell, chairman of the American Legion committee in charge of the races.

The reason is that the event is getting bigger than first proposed and promises to be a southern California event attracting much attention.

Mitchell has heard from Bob Zumwalt, California representative of the Amateur Bicycle League of America, of San Diego and Hans Ohrt, desert resident and Beverly Hills bicycle dealer, former world's amateur bicycle racing champion.

Both believe the local event can be made into a bigger thing than first planned and want to bring in champions and exhibition cyclists from their areas and make it a southland event.

Mitchell agreed to postpone the event to permit the larger plans.

Bell was awarded the Collier Trophy in 1947 for the world's first super sonic plane, the X 1; and the Guggenheim Medal in 1944 for the famed Bell Aircraft, P. 39, which was the first plane to carry cannon.

**DIRECTOR**—Harry Tomlinson, musical director at Community church, now busy rehearsing Palm Springs Civic Chorus for the annual Christmas program at the church.

## Civic Chorus to Present Messiah

Christmas portion of the Messiah will be sung December 16 at Community church at 7:30 by the Civic Chorus and Community church choir under the direction of Harry Tomlinson. The singing of this magnificent music by Handel is an annual pre-Christmas presentation by a well balanced group of sixty local singers who train for weeks in advance for the holiday choral. Last season's Messiah packed Community Church with standing room only in the church yard.

This year's soloists will include two local singers, Evelyn Spikra, soprano, who journeyed up to Santa Barbara once a week to coach with Lotte Lehman in addition to her lessons here with Mr. Tomlinson; and another church soloist and Tomlinson student, Mrs. Reba Mason, who will sing alto. ## GOD THE ONLY CREATOR CHRISTIAN SCIENCE TOPIC

The practical significance of the fact that God is the only cause and creator will be considered in the Sunday Lesson Sermon in all Christian Science churches. The Golden Text from Genesis declares, "In the beginning God created the heaven and the earth" (1:1).

Luke's Gospel records that Jesus "entered into the synagogue and taught; and there was a man whose right hand was withered. And the scribes and Pharisees watched him, whether he would heal on the sabbath day; that they might find an accusation against him. But he knew their thoughts, and said to the man which had the withered hand, Rise up, and stand forth in the midst. . . . And looking round about upon them all, he said unto the man, Stretch forth thy hand. And he did so; and his hand was restored whole as the other" (6:6, 7, 8, 10).

In "Science and Health with Key to the Scriptures" Mary Baker Eddy says, "Our Master treated error through Mind. He never enjoined obedience to the laws of nature, if by these are meant laws of matter, nor did he use drugs. There is a law of God applicable to healing, and it is a spiritual law instead of material" (p. 463).

## Cahuilla School P-T Group Plans Busy Program

Saturday at 4 p.m. a full course Mexican dinner will be served.

Sunday, December 9, will open with Solemn High Mass at 10:30

a.m. followed by a procession to be held to the outdoor shrine of Our Lady. During the procession Indian and Mexican boys will dance the Matachines, a native dance honoring their patron saint, Our Lady of Guadalupe. After the crowning of Our Lady by the Sodality girls, benediction and the Blessed Sacrament will follow.

At 1 p.m. a barbecue will be held on the church grounds.

There will be booths and games for young and old on the grounds during the Fiesta, Father Klumbis said.

## Church is Moved to New Location

Full Gospel church, formerly on Indian avenue, has been moved to its new location at 1290 East Ramon road. The move was made necessary by the widening project on Indian avenue.

## DOG LOVER'S LAMENT

Years ago it was the style. To own a Wire Haired Terrier. Some folks weren't satisfied with one. They thought "the more, the merrier."

Yet fashion changed until, To have a Collie was quite classy. But why? or why did every one. Decide to name their Lassie?

Then Collies finally moved right down To the bottom of the manual. And everyone was clamoring To own a Cocker Spaniel.

After that the Boxer Seemed to come into his own. They became almost as famous, As "Babs" and Franchot Tone.

But today the public trend, Unless I'm off my noodle, Is to have at least one end. A smartly trimmed French Poodle.

Have I a dog? Oh yes indeed, I don't mind the proprieties, For mine's the best as you have guessed, She's fifty-seven varieties. —Florence McRory.

Beaumont, 7th & Maple St. All Catholic women are urged to attend. Call Mrs. Christine Renier, phone 3801, for reservations.

## Will Promoters of Gambling Take Palm Springs for a Ride?

The continued effort to push the matter of QUARTER HORSE RACING with PARI-MUTUEL BETTING in PALM SPRINGS is a CHALLENGE to the Parents, Home-owners and all other Citizens who have the best interests of the Community at heart

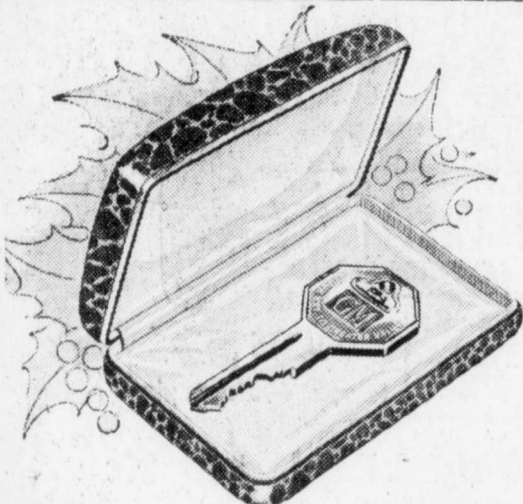

## DO NOT BE MISLED - HERE ARE THE REAL QUESTIONS AT ISSUE:

- (1) Do YOU want HORSE RACING with PARI-MUTUEL BETTING and probably SALE of LIQUOR with RACETRACK ACROSS the Street from the JUNIOR HIGH SCHOOL and Practically Adjacent to the SENIOR HIGH SCHOOL?
- (2) Would the BLARE of LOUD SPEAKERS and the CHEERING of the CROWDS interfere with CLASS ROOM WORK at the SCHOOLS?
- (3) Would YOU WELCOME the Bad Influence that GAMBLING and HORSE RACING would inevitably bring to your HOME—CHILDREN—and this COMMUNITY?
- (4) WHO are the PROMOTERS of this GAMBLING RACING MEET? With the Exception of Ken Kirk, who STATES that he has withdrawn all connection from it — ALL OTHERS REMAIN in the BACKGROUND and are UNKNOWN to this Community.
- (5) GAMBLING promotes CORRUPTION: RESULT—Increased POLICE Force and Increased Cost of City Government — DO YOU WANT TO PAY FOR THIS?
- (6) MERCHANT GROUPS in other Communities near Race Tracks have PROTESTED Gambling as being DETRIMENTAL to BUSINESS. WILL PALM SPRINGS BE ANY DIFFERENT?
- (7) The FINANCIAL PROFITS that will accrue to a few cannot be compared with the FINANCIAL LOSS to MANY or to the Moral Breakdown of even a few.
- (8) Our Idea of CHARITY has SUNK to a very LOW Level if we have to RAISE it through the LOSSES of those Who GAMBLE.
- (9) The following group have REGISTERED Formal PROTESTS against Horse Racing with GAMBLING near SCHOOLS:—

- a—The BOARD of EDUCATION—Palm Springs Unified School District.
- b—The PRINCIPAL and TEACHERS of the NELLIE COFFMAN JUNIOR HIGH SCHOOL (just across the street from the proposed Race Track)
- c—The NELLIE COFFMAN GUILD (Parent Teachers group)
- d—The PALM SPRINGS WOMEN'S CLUB
- e—The AMERICAN ASSOCIATION of UNIVERSITY WOMEN
- f—The COMMUNITY CHURCH BOARD
- g—The COMMUNITY CHURCH WOMEN'S CIRCLE
- h—The COMMUNITY CHURCH SUNDAY SCHOOL TEACHERS & OFFICERS
- i—The SEVENTH DAY ADVENTIST CHURCH BOARD

## key to someone's Merry, Merry Christmas

Christmas shopping that you're going to enjoy.

When you touch off that Fireball Engine that's a high-compression valve-in-head eight—when you set that Dynaflo\* pointer at "D" for "Drive"—when you lay hands on that graceful wheel, ease into motion and feed the power—you're going to feel like Santa Claus and all his reindeer as they skim through the air with the greatest of ease.

This is a great car, a great performer, and a great buy.

No need to tell you the shopping days

till Christmas are getting fewer and fewer.

There's no time like now for taking steps to make this a Buick Christmas.

## Desert Players Start Plans for Second Offering

With the first play, "Accent on Youth," well under way in rehearsal by the Desert Players of Palm Desert's Little Theater, the second play to be produced, "Time and Tide," a farce comedy by Muriel Bolton, depicting amusing family life, was to commence casting this week. The new play offers an important part for a 10-year old boy and Director Clay Stearns has invited try-outs by juveniles who might be interested. Casting is not limited to Palm Desert but is valley-wide and anyone interested in active participation in dramatics is urged to attend the Tuesday night meetings and read a few lines.

The Little Theater is located north of the highway at 44th St. and San Pablo in the Palm Village Tract. The turn-off from the highway is directly opposite the new Kelley's of Palm Springs display patio, on the highway. Remodeling of the theater is progressing steadily with volunteer labor and the stage was completed late last week. The theater is expected to open in January.

## Col. Ellsworth to Supervise Palm Desert Air Raid Post

In a special meeting of the directors of Palm Desert Community Development Association, last Wednesday night Col. Robert Ellsworth (U.S. Army, ret.) was named supervisor of the Air Observation Post to be established on the grounds of the Shadow Mountain Club in Palm Desert. Ellsworth, a retired artillery commander, will supervise the organization of a corps of about 50 members of a Ground Observer crew and will pass along to them instructions and training which he will receive from Army authorities at Santa Ana Air Force Base. He will appoint a Chief Observer to work in close association with him in the training of members of the unit as they are recruited. Monthly training meetings are scheduled. According to Bill McLachlan, President of the Association, the group went on record Wednesday night as approving the proposed county zoning ordinance but they voted against the building code unless each community is given authority to vote on a code suited to its peculiar needs and with responsibility for its control vested in the community.

## Rockhound Float Wins Praise in Parade at Indio

Palm Desert's only float to be entered in the Indio Merchants' Annual Christmas Parade, last Saturday night in Indio, was the float representing the Shadow Mountain Gem and Mineral Society. In the competitive judging, according to private word of some of the judges, it was tied for third prize with several other entries. A drawing was conducted to determine third place and as a result the Rockhounds were awarded Honorable Mention. The float, representing a bounteous Christmas of a wealthy young matron, carried a special plea to "Let's Remember the Crippled Children." Featured as part of the decorations was a 500 pound Quartz crystal cluster containing literally many hundreds of water-clear Quartz crystals.

When she awoke and got to her feet, the sleeping leg buckled under her and she fell, breaking her ankle. But the opening under new management went on as scheduled.

## Notes from the Library

### REQUIEM FOR A NUN by William Faulkner.

A distinguished drama on the eternal Tolstoyan theme of sin and redemption in which the subtle spiritual thesis expressed by Temple Drake (Mrs. Gowan Stevens): "...you must be already resisting the corruption not only before you look at it but before you even know what it is, what you are resisting," reveals all its implications until the final turn of the screw when the mother of the murdered child who was spiritually responsible for the child's murder cries out to the murderer: "Do you have to suffer everybody else's anguish just to believe in God? What kind of God is it that has to blackmail His customers with the whole world's grief and ruin?" In this novel which is not really a novel but a play with each act preceded by an impressionistic setting of the scene, not in terms of immediate time and place, but of this particular moment and place, out of all the moments and places of history, the eminent American writer, Nobel Prize Winner William Faulkner, ranks with the eminent English writer, Graham Greene.

### THE GOOD SOLDIER by Ford Madox Ford.

Here is an ironical story of two couples, one American and one English; of a pair of marriages that looked settled, balanced, and happy from the outside but quite different from the inside; and of people who mistook conventions for feelings. Ford Madox Ford who was born in 1873, grew up in the midst of the Pre-Raphaelite group; was the nephew of Rossetti; and had written 75 books before he died in 1939, including four in collaboration with Joseph Conrad; described THE GOOD SOLDIER as his best book. Such critics as Joseph Henry Jackson, William Carlos Williams, Graham Greene, Mark Schorer and many others have called THE GOOD SOLDIER: "...one of the fifteen or twenty greatest novels produced in English in our century."

### THE AUTOBIOGRAPHY OF WILLIAM CARLOS WILLIAMS.

At the age of 68, William Carlos Williams looks back on more than forty years of accomplishment in the medical and literary fields—as a busy small town doctor and the author of more than thirty published works. Many famous people are remembered and described in the pages

of this book: H. D., Ezra Pound, Marianne Moore, James Joyce, Gertrude Stein, Ernest Hemingway, are a few. Here is the narrative of a life rich in literary achievement as well as public service.

### POETRY DRAMA by T. S. Eliot.

A statement on the role and problems of poetic drama today, including an appreciation of Shakespeare's genius, an analysis of Synge, Maeterlinck, and Yeats, and an account of the writer's own aims, techniques, and difficulties in writing poetic dramas. A book that will interest anyone who likes poetry, the theater, or Mr. Eliot.

### THE UNITED NATIONS. Blueprint for Peace by Stephen S. Fenichel and P. Andrews.

A book for all who would like to know the fundamental facts about the world organization that offers a "Blueprint for Peace," as well as for those interested in being well-informed citizens. The text traces the history of man's efforts to establish a world organization from the last days of the League of Nations up to and including the practical accomplishments of various agencies like UNESCO. Over 10 photographs are included.

### THE MAGIC OF BELIEVING by Claude M. Bristol.

Here is a system for curing any material difficulty—whether it be to gain a job, a mink cape, or a \$100,000—this is the formula that does it. A must for all "spiritual" opportunists.

### Sorry for Pooch

Mrs. Lashman Sarup called the police station this week to report that a "poor dog" had been chasing cars all day on Indian avenue by the Safeway, and was all worn out. She wished police to come and pick him up so he could get some rest.

1. Road Test a Mercury for Proof of Performance

This is a story about a car. Its name is Mercury. It is a beautiful car, and it is very very popular.

It has a powerful prize winner of an engine, a V-8 high-compression engine—the better to take you up hills. It has a very low center of gravity—the better to take you around curves. It has a big staunch frame, wide tires, new-type spring suspension, supersafety brakes—the better to make you happy behind the wheel.

One day you will drive this beautiful and popular car. You will also see how nicely it fits your budget. Then you will know the moral of the Mercury story: It is, in all ways, "the buy of your life."

**Sweetest Money-saver Ever Sold**

2. Budget Test a Mercury for Proof of Value

Does it have a down-to-earth first price? Mercury's price tag is one you can understand. You get a big dollar's worth for every dollar invested.

Will you be sure of good gasoline mileage? Mercury has proved its more-miles-per-gallon by winning officially sponsored economy tests.

Is it famous for long life? It is indeed! 92% of all Mercurys ever built for use in the U. S. are still on the road, according to the latest official annual registration figures.

Will upkeep stay low? You save money year after year. Mercury's famous stamina keeps repair bills at a rock-bottom low.

Does it represent solid value? Mercury owners say YES! So will you when you get the rest of the story. Drop in today and see.

1952 Circus  
Plans Set in  
Motion Today

Board Starts  
Mapping Program  
for 16th Event

Plans for next Springs' Desert Circus, the 16th annual presentation of the famed event, will be discussed this morning at a breakfast meeting of the Circus board of directors. Officers of the Desert Circus association met last week to draw up an agenda for today's meeting.

George Strebe suggested last week that since 1952 marks the 50th anniversary of the motion picture industry, the cinema world be featured in the 16th annual circus. He said that many of our winter residents are moving picture people and that these visiting stars and executives would undoubtedly cooperate in staging the event.

More western activity in keeping with the desert theme was suggested by Marge Riley.

The 16th annual Desert Circus will be without the leadership of two people prominent in the event since its inception, Frank and Melba Bennett. They have retired from Circus activities because of the press of private affairs.

Harry Harper, who has publicized the Circus for years, also has announced he plans to retire.

ramding on the fact that every week during the past year witnessed the completion of at least one new home.

MANY NEW HOMES are presently under construction. The Leonard K. Firestone residence in the Shadow Mountain Estates is well under way. The Fred Siemens home in the same sector is rapidly building. Present homeowner Robert Mylar is building two homes on Unit No. 4 and one on the Club entrance. Rembert Trezevant has broken ground on another new home, also opposite the Club portal.

Henderson expressed pleasure in the fact that Palm Desert was becoming the community of homes he originally envisioned a few years ago.

"The 130 homes already built mean that this many families are now living here a good part of each year," he remarked, "and makes Palm Desert and the Shadow Mountain Club, its center of social and recreational activity, truly a family community. It has become the kind of community I have dreamed of; one of charming homes and gracious neighbors," he concluded.

BEARING OUT Henderson's statements, on the statistical side, was a report from S. S. (Dinty) Moore, of Brooks and Moore, realtors, exclusive agents for Palm Desert properties. "October and November were record months, marking a 225% increase in sales over the same period of 1950," stated Moore, long-time desert resident, "with every indication that the close of the current year will mark another phenomenal year of construction, both of homes and business properties, with emphasis on the former."

## CATHEDRAL CITY NEWS

By Mrs. Paul Clark

Phone 8-4691

### Lions' Party

Cathedral City Lions club held a box lunch Ladies Night dinner at the Town Hall with more than fifty partaking of the delightful food surprises prepared by the ladies. President John Danchak presided, having as guests of honor at the head table International Councilor, past district president and mayor of Seal Beach, Frank Shufelt, Lloyd Simons of Palm Springs who is an honorary life member of the Cathedral City club, club secretary Larry Weingartner and Lion zone chairman, Paul Clark. Mr. Simons installed William Hendrickson as a club director and Mr. Shufelt inducted new members George Miller, Tom Campbell and Carl Mayfield. Music and dancing rounded out the evening.

### Woman's Club

About forty members of the Cathedral City Woman's Club and guests met for their monthly luncheon at Angelo's Palm Desert Wednesday noon. During the luncheon hour guests were introduced by members, important announcements concerning the Club's Christmas plans for participating in County welfare projects were made, and a brief business meeting was conducted by the President Agnes Wilbur. The guest speaker of the day, Mr. Paul M. Summit, Psychology teacher in the Palm Springs High School, addressed the group on topics of vital interest.

### Federation

Representatives of the County Federation of Woman's Clubs were guests of the Indio Woman's club last Friday. Luncheon was served by the Coachella and Indio Junior and Senior clubs. The luncheon honored the coun-

ty presidents and fourteen of the nineteen county club presidents attended. Mrs. L. E. Sinclair of Calipatria, district president, was guest of honor. Representing Cathedral City were president, Mrs. Agnes Wilbur, Mrs. Wilbur Larrison, county chairman of the Cathedral City Club, Miss Margaret Davidson and Misses Claude Cobb, Curtis Ring, Thomas Powell, Morris Elinger, O. A. Torgerson, James K. Wolseth. The latter three also represented the Palm Springs club. Mrs. Wolseth is radio chairman for Riverside County and the Palm Springs Club. Misses J. G. Walker, Wayne Wilson and Clyde Harner were present from Palm Springs.

### Park Activity

John Cousin, chairman of the Sunair Park committee of the Cathedral City Chamber of Commerce reports that a meeting was held last week in consultation with sculptor Uno Palokangas. Final plans were drawn up for presentation to the Chamber of Commerce board of directors for the Prof. Kyle memorial to be erected in the park. "The attention of public spirited residents of Cathedral City and friends of Prof. Kyle is directed to the need for additional funds" states Mr. Cousin. "Contributions should be sent to Carl Emerson, Desert Bank manager, who is treasurer of the Chamber of Commerce."

### Around Town

Carroll G. Waller of Cathedral City, active in Masonic and Shrine circles, will tonight be installed as Worthy Patron of the Palm Springs Chapter, Order of the Eastern Star.

A prospective resident and investor in the desert is Canadian visitor James A. Beaton of Kamloops, B. C. Mr. Beaton is the proprietor of three wearing apparel shops in which he says is the hub of British Columbia interior. Kamloops is the terminal of both the Canadian Pacific and Canadian National railways. It is in the center of rich lumber and farming area and is also noted for the abundant game and fish in the forests and the ninety lakes in the immediate area.

The Charles Cobbs returned last Saturday to their Burton Hills home after an absence of over a year. Business took them back to their home in Pennsylvania, humorously called by them "Cobb Hollow."

Cathedral City representatives at last week's meeting of the Coachella Valley Advisory Planning committee were W. R. Hillery, representing the County Flood Control district, Paul Clark, president of Cathedral Sanitation District, L. C. Lewis, president Fire protection district, Claude Cobb and Leslie Kelley representing the Chamber of Commerce. County Supervisor Homer Varner, who is a member of the committee, congratulated Cathedral City on its representation and said that of all the unincorporated areas in the county, Cathedral City always had the largest representation at both the Planning committee meetings and at the meetings of the Associated Chambers of Commerce of Riverside County.

**SANTA CLAUS**—Ready with \$12,500,000 in Christmas Club checks for 123,000 Southern Californians, Santa's little helper, Marty Rogers, waits for A. J. Gock, chairman of Bank of America's board of directors to sign the last check. The bank set a new high for its club this year, with a statewide total of \$27,000,000—largest Christmas Club in the history of any bank.

## Thousand Palms Greet Highway 70 Cavalcade

Thousand Palms was the scene Monday of a ceremony when the Highway 70 caravan, touring the continent, stopped at Fort Oliver to partake of desert products and listen to desert lore. The Highway 70 trek, called the Treasure Trail Cavalcade, followed the route of 70 from the eastern edge of New Mexico to Hollywood. Stops were made at various towns in the three states. The Thousand Palms stop was the closest to Palm Springs. The highway cuts across the valley north of Palm Springs following the route of 99 from Indio to Los Angeles. Thousand Palms growers presented caravan members with

dates, grapefruit and grapes grown in the area and Harry Oliver regaled them with tall desert tales and presented the Caravan Queen, Miss Barbara Rhodes, 17, with 117 years subscription to his Desert Rat Scrap book.

"That's the key to the desert," he said. Queen Barbara, who hails from Safford, Ariz., made a wish under the chin of the 12-foot horned toad "the sacred toad of Salton Sink." The big toad was built by Oliver as a Circus parade float a few years ago and now stands guard over Fort Oliver at Thousand Palms.

## Desert Art Center

Desert Art Center Christmas party will take place Thursday evening, December 13, at 6:30 p.m. in St. Louis church hall B and Glenn Street, Cathedral City. This time the women of the church auxiliary will serve the dinner and the dessert to be cake supplied by the members. Reservations should be made as soon as possible with Margaret Davidson, Box 191, Cathedral City, telephone 8-3564. A grab bag for Santa has been prepared by Marion Chapman, Rancho Trailer Park and each member is asked to bring a homemade cake or an equivalent wrapped gift for the bag. Cakes not eaten will be sold. Esther Palo Kangas, decoration chairman, says that the favors made by Georgia Caldwell Freeman will add much to the party interest and may be taken home. Mrs. Claude Yerkes and her committee will assist President Zaddie Bunker to take this opportunity of getting acquainted. The next party will not be until Jan. 25, a Beaux

Arts Ball at the Rogers Stables under the direction of Terry Ray. New green folders advertising the Art Center School and time of classes are now available to hotels for mailing and placement in apartments. They may be put under glass on dressers as well as on the bulletin boards. Marie Phelps Sweet and Uno Palo Gangas are responsible.

Frederick I. Kann, school instructor of painting and design each Monday and Tuesday, says that larger quarters must be found soon as his students are spread around the cottage yard and street and his teaching time is being wasted. Most of the students come from Palm Springs though one comes from Banning. The artist's advisory council and the board met last Wednesday to discuss plans for financing the school during its first difficult year and to plan for further extension of classes. Alberta Babcock proposed a Saturday class for children in painting and perhaps crafts as she knows much about this field through experience with local schools. A class in sculpturing is already being given by Palo Kangas each Saturday morning. Children 6 to 14 are enrolled.

## DESERT HOT SPRINGS

By THERESE WHITESIDE

Ninety-nine-year-old Mike Swan, called "the grand old man of the West" by poet Guy Frederick, was showered with honors this week, both in Desert Hot Springs and in Banning.

Marie Ropp and Winifred Moshier gave him a birthday party at the Improvement Association Hall on Tuesday. Over a hundred guests attended. He is now in his hundredth year, hale, hearty, clear-eyed and in possession of all his faculties. Tall and straight, able to walk great distances, he is a living example of perpetual youth. His face is serene and smiling, his skin is clear and pink under its bronze, and his bright blue eyes sparkle as he gazes out at the world from under bushy white eyebrows. With his superb white beard, he is the perfect Santa Claus, whose part he has often played.

The Christmas tree was a smoke tree bedecked with ninety nine silver quarters. His huge birthday cake with his name and greetings to him, surrounded by pink rose-buds fashioned in the icing, bore one red candle. The table was laden with birth-

day cards, which delighted their recipient.

George MacAnnan officiated as Master of Ceremonies and read Guy Frederick's poem, "The Grand Old Man of the West." Lynn Moore played "Happy Birthday" as Marie Ropp brought in the huge cake on a wheelbarrow. Then Col. T. C. Martin sang "When I Grow Too Old to Dream" and Lynn Moore played several piano solos. At the special request of Mike Swan, Ann Tipton, first postmaster of Garnet Valley, played some of the old piano favorites.

Miss Carrie Cahill, who has lived in Banning for forty-three years, came down with her cousin, Miss Gertrude de Forge, to greet their old friend. There were other guests from Banning and Cabazon and from all parts of the valley. It was the largest turn-out of old-timers ever seen here.

Smokie George Frederick, of Mesa, Arizona, who painted Mike Swan's portrait, sent a special hand-drawn birthday greeting in which he referred to Mike as being in "perfect physical, mental, emotional and spiritual health." Mike Swan was born in Indiana on December 1, 1852 and came to California in 1909.

## Planners

Meet December 19 to Elect Officers

Coachella Valley Advisory Planning committee will meet at Coachella December 19 in annual election of officers.

President Herbert Ecclestone of Palm Springs and Desert Hot Springs last week appointed Ted Carlson of Indio head of a nominating committee to present a slate of officers at that meeting.

At last week's meeting at Coachella, George Woodman, city planner for Palm Springs, was the main speaker and sounded a warning to act to preserve the natural scenic attractions of the desert before it is too late.

## Film TV Show

at Desert Spots

"Your Hollywood," a fifteen minute television transcontinental show was filmed in Palm Springs and Palm Desert over the week-end starring Barbara Whiting, Margaret Whiting's sister and leading ingenue in the radio serial, "Junior Miss," and actor, Darryl Hickman, under the theme "Fun on the Desert."

The locales utilized in the film emphasizing desert charm included the Thunderbird, and the Doll House. Tom Fox was the producer, and Bruce Bailey, lenser.

Holiday Guests at Cathedral City Home

Out-of-town visitors over the Thanksgiving holidays at Cathedral City were Mr. and Mrs. A. L. Nichols of Hemet, visiting their daughter, Mrs. Edna Lass. Other guests were Mr. and Mrs. Alvin Sanders and son John, of Glendale.
